NIGHTLY CATCH

Connecting with nature just got a little more luxurious. Situated along the eastern shore of Tomales Bay, the historic **Nick's Cove** cottages and restaurant have been restored by Bay Area restaurateur Pat Kuleto. Sitting over the water on a 400-foot pier, the cottages feature distressed-wood floors, European-marble mosaic tiles and copper soaking tubs.
23240 Hwy. 1, Marshall, 415-663-1033, nickscope.com.
